

**Step 1:** Install Lynx App from Playstore/Appstore.

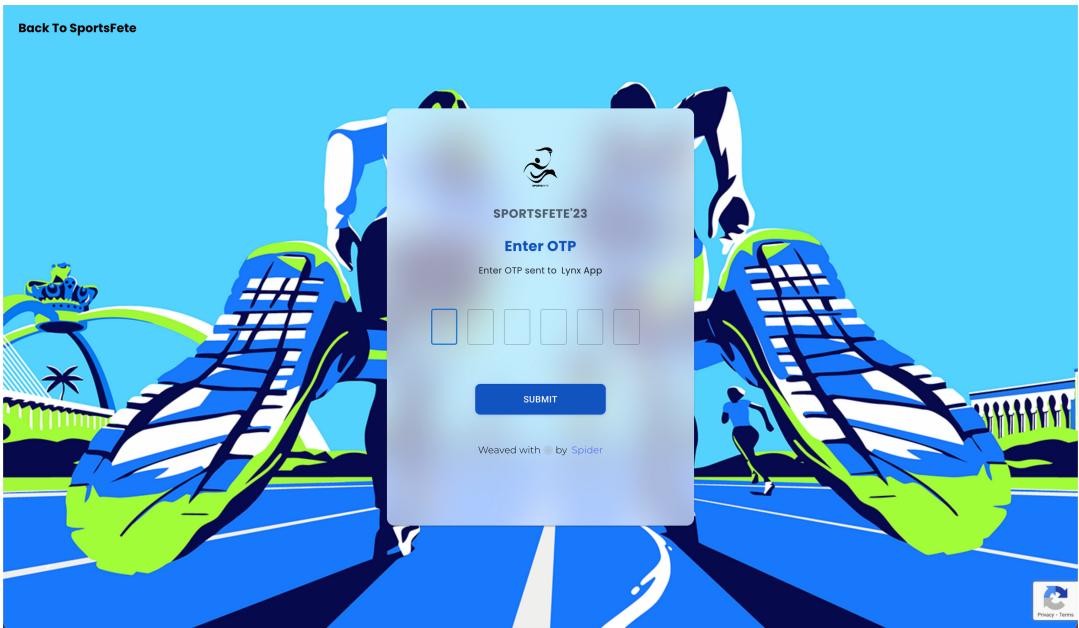

**Step 2:** Create an account and login to Lynx App.

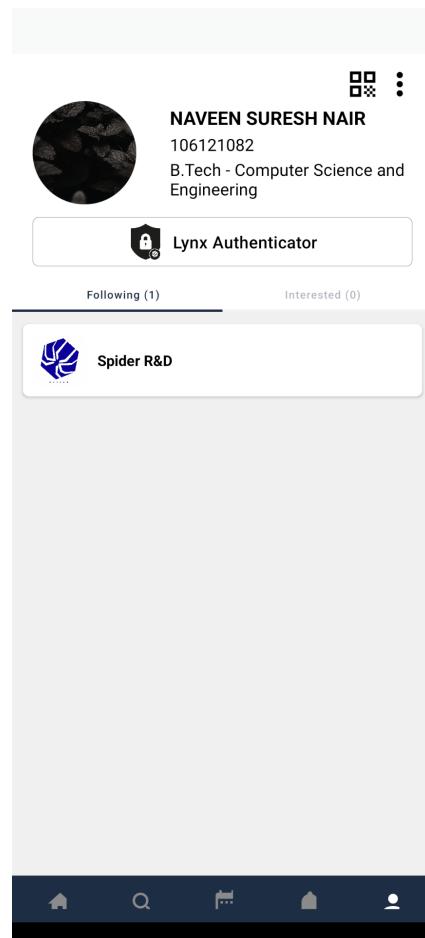

**Step 3:** Visit "website link" in your browser and explore.

**Step 4:** In order to register for the marathon or login to your profile, Enter your roll number and click on 'Login with LYNX Auth' which will direct you to your Otp screen.

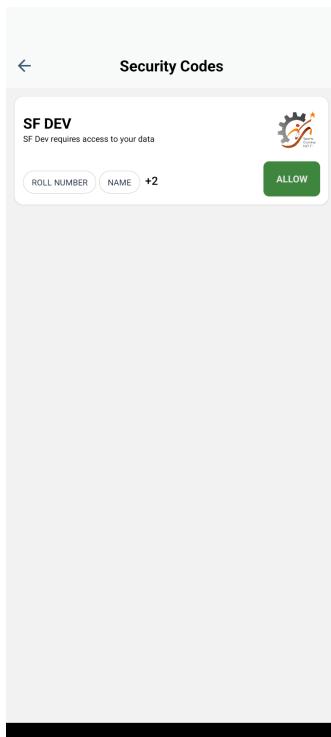

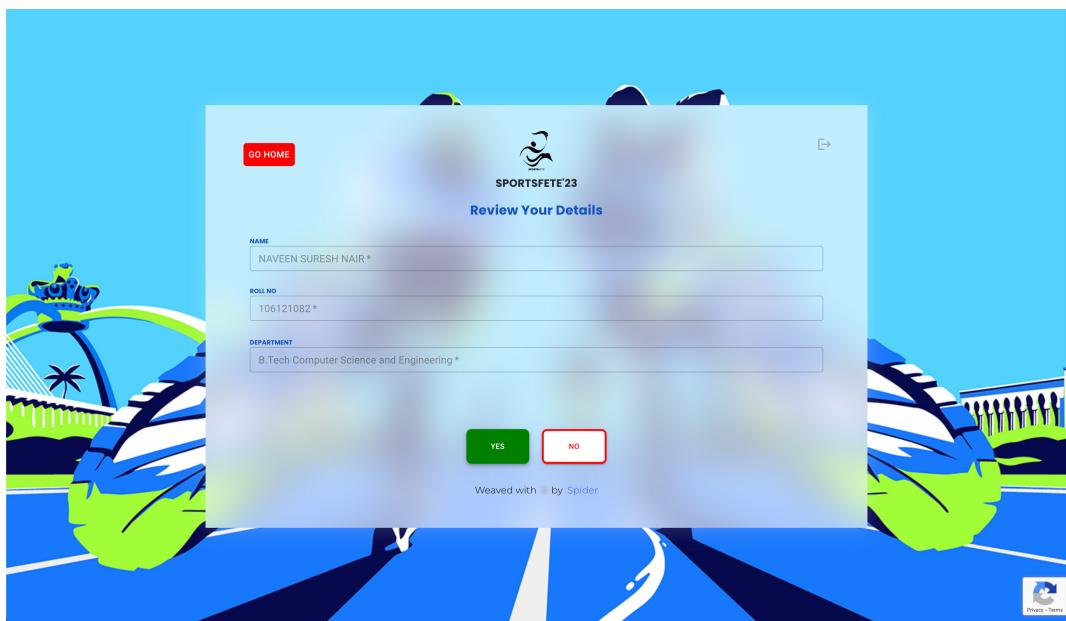

**Step 5:** Open Lynx App and go to the profile tab and click on 'Lynx Authenticator'.

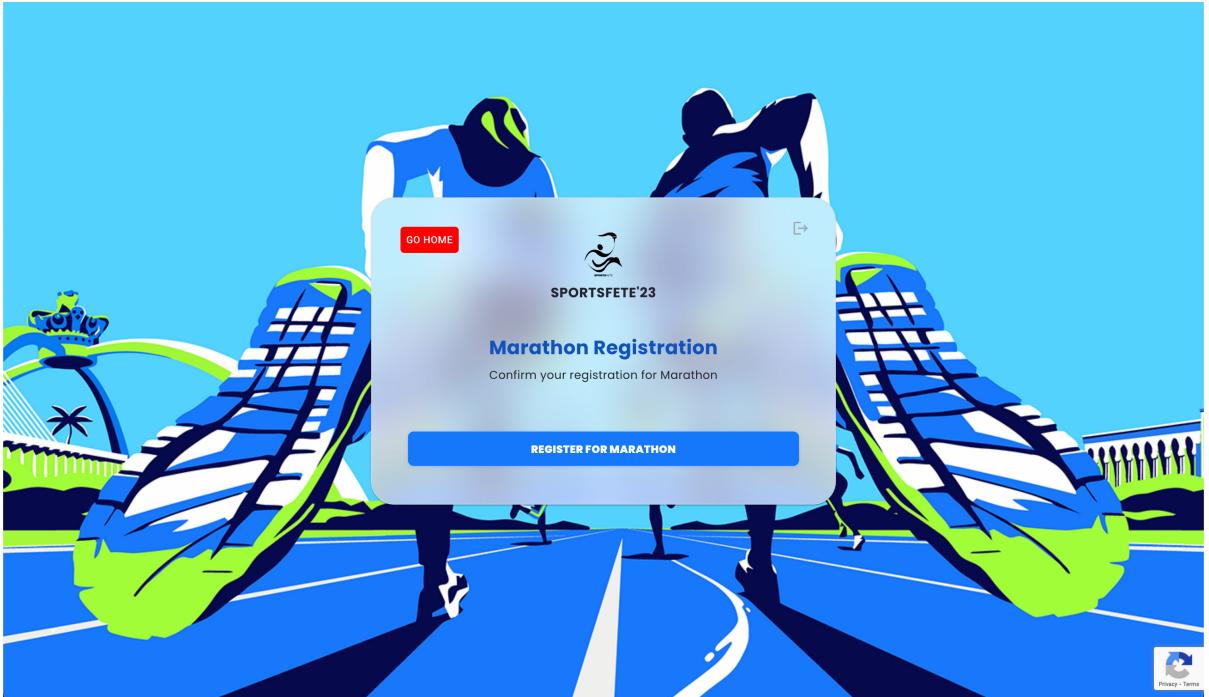

**Step 6:** Click on allow and copy the OTP and enter in the OTP Screen of the SportsFete 23' website to log in successfully. You will now be directed to the review details screen.

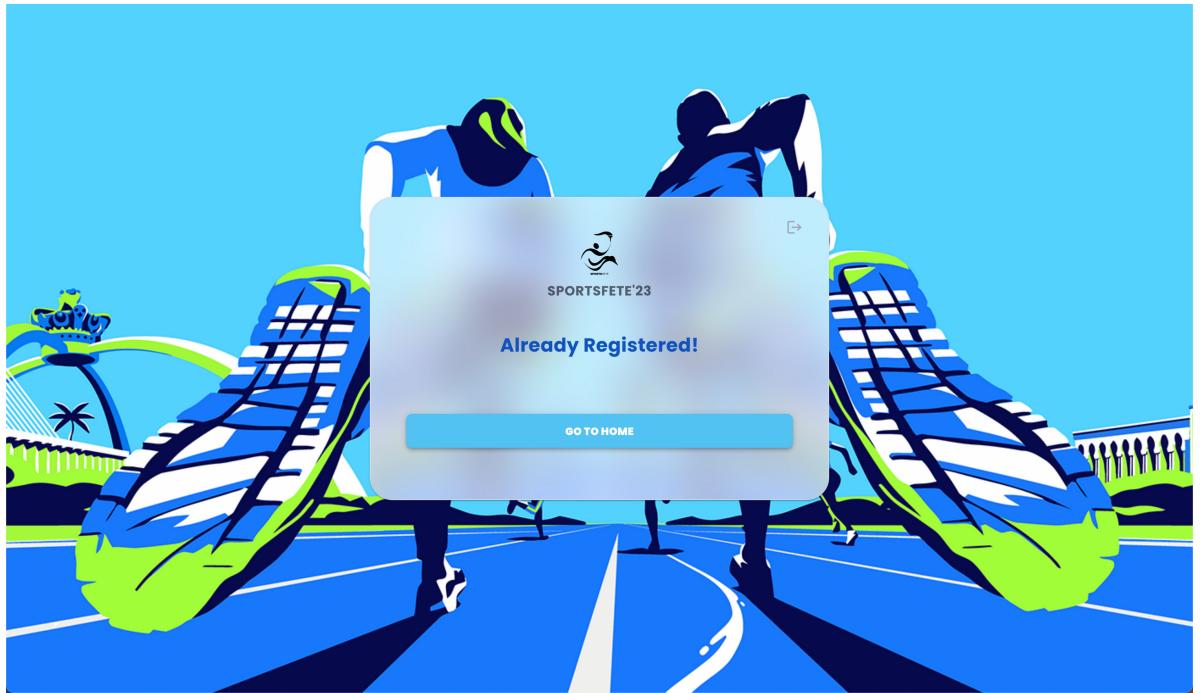

**Step 7:** In the review details screen, verify all your details are correct and click on the Yes button. If any of the displayed details are incorrect, click on the No button and edit your profile in the Lynx App.

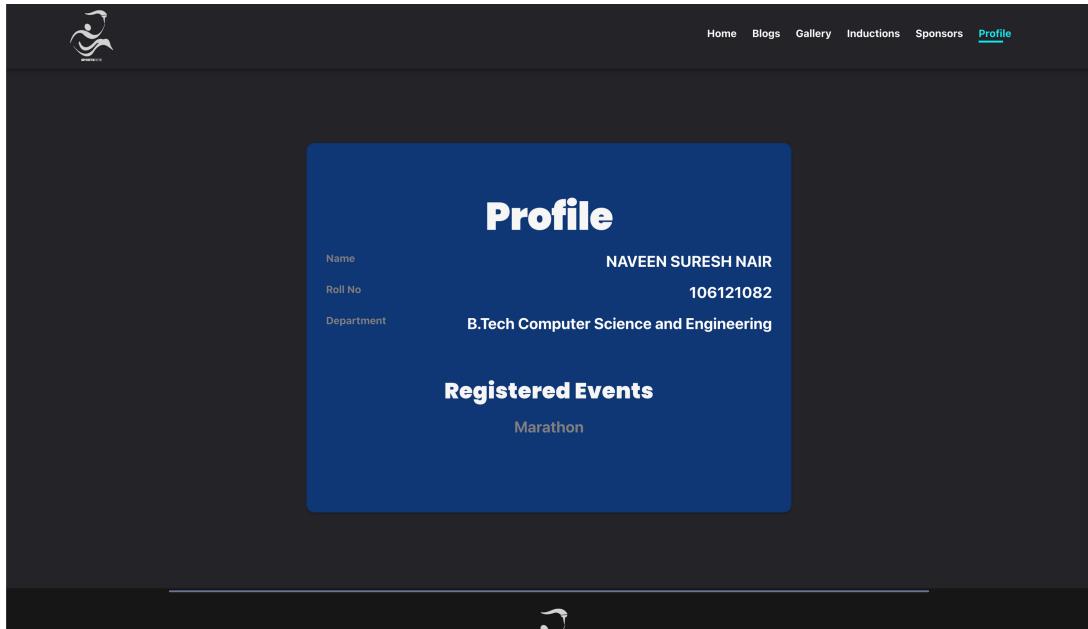

**Step 8:** Once you have been directed to the confirm registration screen, Confirm your registration for the Marathon by clicking on Register For Marathon button.

**Step 9:** If you have already registered for the marathon, the below screen will be visible at which point, you can click on Go to home button and redirect yourself to the Home Page.

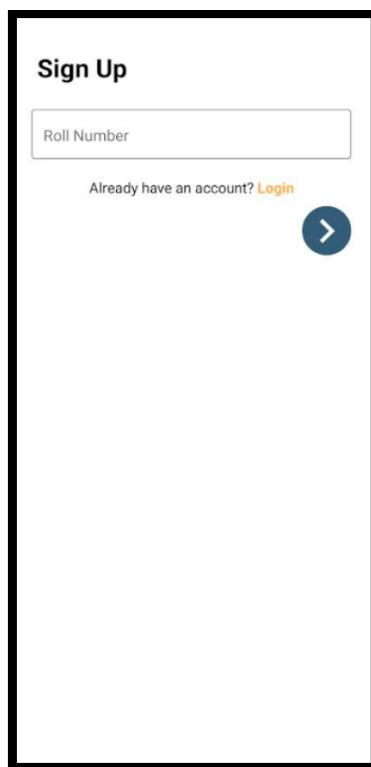

**Step 10:** Once you have registered/logged in successfully, visit the profile page to view your registration details.

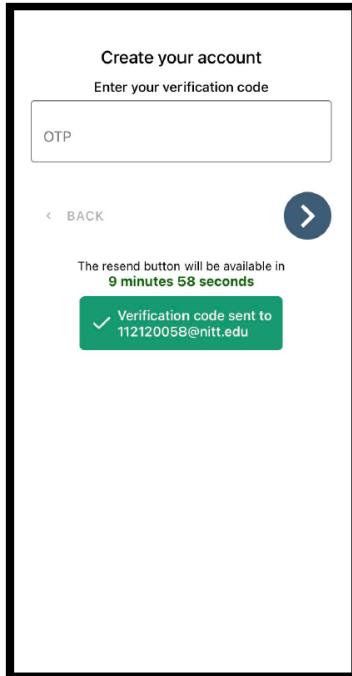

### Steps to Sign up in Lynx app:

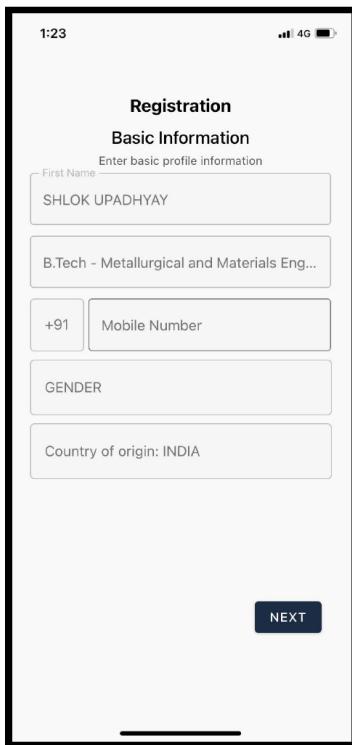

**Step 1:** Click on the Sign Up button in the lynx app and input your roll number.

**Step 2:** An OTP will be sent to your webmail. Input the OTP that you receive in your webmail.

**Step 3:** After otp validation, enter your information and set your password.

**Step 4:** After registration, login the app.
